Dear Prof Nikitina

RE: REGISTRATION OF FACILITY

With reference to the application for amendment of activities of a facility registered in terms of the Genetically Modified Organisms Act, 1997 (Act No. 15 of 1997): Registration number **39.2/Witwatersrand -20/165**.

The amendment of activities for the registered facility is hereby granted; please find attached your certificate which serves as proof of registration. Please familiarize yourself with the Standard Operating Procedure approved for Regulation 2(2) to determine whether your current activities or any future activities would require an additional contained use permit or not.

Please consult the website of the Department at www.daff.gov.za (Branches, Agricultural Production, Health & Food Safety/ Genetic Resources/ Biosafety) for the latest application forms and the SOP document referred to in the above paragraph.

If any of the provisions of the Genetically Modified Organisms Act, 1997 (Act No. 15 of 1997), including any condition of any permit issued in terms of the GMO Act, is not complied with at all times, you will be subject to prosecution in terms of Section 21 of the GMO Act, 1997.

Yours sincerely

Ms N L Mkhonza
