NOTICE OF FULL COMMITTEE REVIEW AND APPROVAL.

This is to inform you that the Ogun State Health Research Ethics Committee has approved your research protocol and other attached materials after the necessary review and corrections.

The National Code for Health Research Ethics requires that you comply with all institutional guidelines, rules and regulations and with the tenets of the code. All informed consent forms and questionnaire must carry the assigned OGHREC number. Changes to the research are not permitted without the prior approval by the Committee.

Kindly note that the committee reserve the right to monitor the research study without prior notice. All data collection must be completed within twelve calendar months (one year) from the date stated in this approval. If there is delay in starting the research, please inform the HREC so that the date of approval can be adjusted accordingly. You are to give progress report of the investigation and submit an abstract of the research to the committee via ogunstatehrecchairman@gmail.com

This approval is with effect from 16/07/2026

Thank you,

Dr. Adekunle Alabi

Chairman, Ogun State Health Research Ethics Committee.
