To Whom It May Concern:

Please let this letter confirm that the experiment of Ella Norman has been reviewed by the Science Research Program of Princeton High School and it has been determined that no harm will be inflicted upon the test subjects. Her project asks subjects to participate in a survey about a Supreme Court case both before and after the decision has been made. Participants will be compensated for their contribution to the study.

Please reach out to jacquelinekatz@princeton12.org with any further questions or concerns.

Sincerely,

Jacqueline Katz
Science Teacher
